Experience

Studio 71   Beverly Hills, CA
Gaming Creator Internship   September 2025 – December 2025
- Researched and analyzed gaming creators and current clients to identify talent opportunities for the network
- Pulled and interpreted social media data to assess platform trends and performance metrics
- Learned the full talent acquisition process, from initial outreach to contract negotiation
- Observed brand deal execution from the talent perspective, including internal pitching processes

Pittsburgh Film Office   Pittsburgh, PA
Project Manager   January 2025 – November 2025
- Secured a $100,000 state grant to develop the "Film Trail Project"
- Created an app showcasing Pittsburgh's past film and TV productions
- Researched production locations, economical facts, and film/TV trivia

Eris Talent Agency   Los Angelas, CA
Agency Intern   June 2025 – August 2025
- Worked under talent agent Anita McKorn to submit talent via CastingNetworks.com and Actors Access, share audition/media requests, and scout new talent for representation.
- Reviewed and provided feedback on talent profiles, necessary updates, and offered ongoing support to clients.
- Assisted with contract negotiations, on-set issues, and communication between agents, casting, and production
